(3.)

András Kovács  
Guardian Hungary Ltd.  
Product Manager

It is the sole responsibility of the processor to adequately inspect the coated glass before each step of fabrication and prior to installation. Failure to apply all professional standards, customary instructions and processing instructions will automatically void any warranty regarding heat treatable glass of GUARDIAN. The processor has the full responsibility for the quality of the final product.  
By this certificate GUARDIAN is not granting any warranty regarding the processor's continuing capability to adequately process GUARDIAN's products.
